

SUILAND PROJECT

The ultimate video game :
READY PLAYER ONE is about to become TRUE

THE GAME

LET'S DIVE IN

Explore Suiland, a magical island in your video game where you're on the quest for real Treasures all over the world (IRL and Virtual).

De la part d'Eichiro Oda

CRUCIAL ROLE OF ANONYMITY

STAY SAFE 😊

Explore the World of SUILAND, find virtual/real treasures with
Safety rules and measures.

WHY ANONYMITY MATTERS:

- Protects your real-life identity.
- Ensures your safety from potential online threats.
- Keeps your gaming life separate from your personal life.

The background is a colorful illustration of a traditional Japanese village. In the foreground, there are several buildings with red-tiled roofs. In the middle ground, a large, multi-tiered pagoda stands prominently. A bridge with a red railing spans a body of water in the background. The sky is light blue with some clouds. The overall style is reminiscent of a manga or anime illustration.

LUKE SKYWALKER PADAWAN AND THE QUEST TO BECOME JEDI MASTER

Jedi Progression with LINK and SUI

- Narrative: Your Jedi journey with luke-skywalker.sui, influenced by real-world events and SUI for acquiring Jedi Integrating Real-Time Data
- Example: LINK uses real-time data like weather conditions to guide your hunt.NFTs or information.

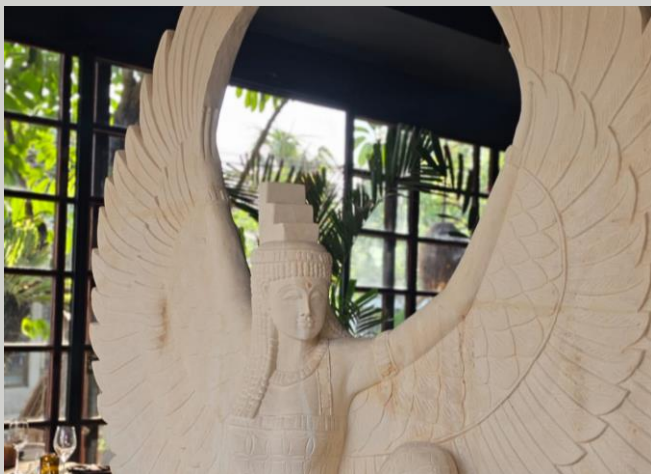

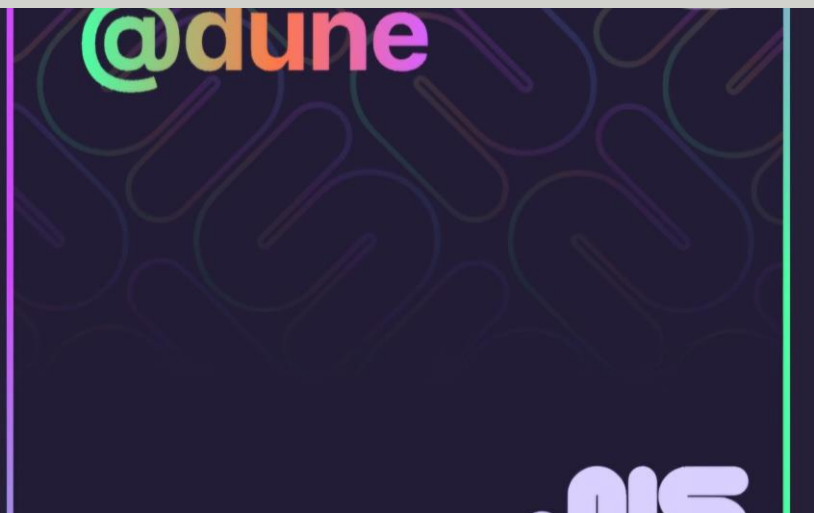

CRYPTO TOKENS AND SUI MONSTERS IN SUILAND

Role of CETUS, DEEP TOKEN, ETH, and LINK

- Each token and monster offers unique quests and powers, enhancing your adventure.

EVENTS AND COMMERCE WITH LINK, SUI, AND OTHER CRYPTOCURRENCIES

Global Events and Adventures

- Event: Organize events where conditions are set by LINK, adventures led by sui characters like monkey-d-luffy.sui.

THE ROLE OF CETUS IN VIRTUAL/REAL REAL ESTATE

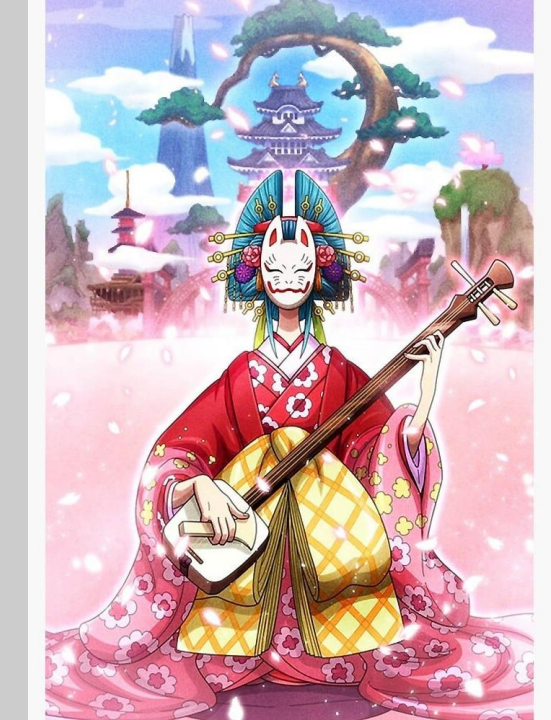

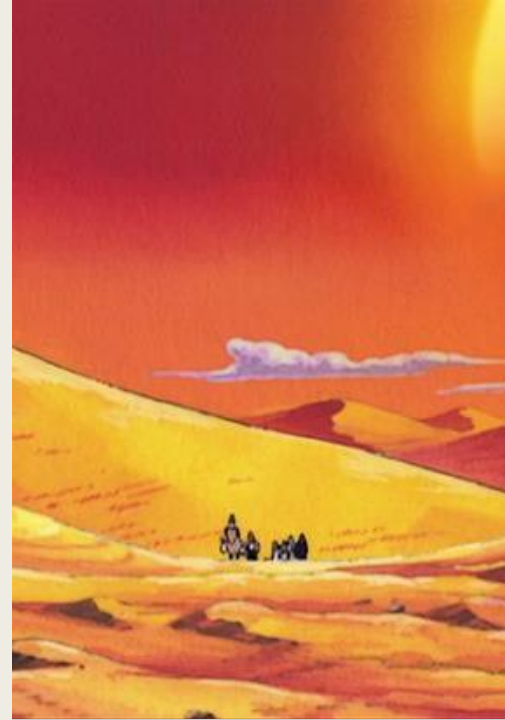

CETUS

- CETUS token used for transactions in virtual property markets.
- Facilitates buying, selling, or renting digital land in metaverses like Decentraland.
- Represents ownership of virtual land, similar to real estate but in digital form.

STABLE COINS AND THE FUTURE

- Insight: The game's economy might shift towards stable coins like BRICS, affecting gameplay economics.
- Future : All universes will be on Suiland 😊

The future of Central Park?

Forecast chart 2025 - 2028

A person is shown in a yoga pose, standing on a mat that appears to be floating on water. The person's arms are extended horizontally, and their legs are in a wide, balanced stance. The background features a calm body of water reflecting the light, with a dense forest of trees visible in the distance under a soft, hazy sky. The entire scene is framed by a dark, semi-transparent overlay, and the text is centered in a clean, white, sans-serif font.
