

INTRODUCTION: INCREDIBLE INDIA

(Reggae music fades into Indian sitar sounds. Montage: vibrant chaos of India—cows in streets, colorful markets, distant Himalayan peaks.)

MONKEY (VOICE OVER)

Hey, it's me again, Monkey! At 26, I'm landing in Delhi!

(CUT TO: MONKEY arrives at New Delhi airport, backpacker with a huge bag, hails an overpriced tuk-tuk.)

MONKEY (VOICE OVER)

Yep, I was a total rookie back then. But look at this...

(Tuk-tuk weaves through chaotic streets: cows, poverty, dirt. MONKEY smiles, wide-eyed with wonder.)

MONKEY (VOICE OVER)

What a burst of life! I was thrilled to step out of my comfort zone and taste FREEDOM! A year of travel to see the world—even the dirty stuff fascinated me...

(CUT TO: MONKEY checks into a modest guesthouse, settling into a 15-person dorm.)

MONKEY (VOICE OVER)

The smell? Don't ask... But two hours after arriving, I'd already made some amazing connections!

SCENE: MEETING IN DELHI

(Night. MONKEY, HANS (22, German footballer from Dortmund), and CARLO (35, Colombian architect from Bogotá) ride a tuk-tuk to a flashy but tacky tourist restaurant in Delhi.)

MONKEY

(mouth full)

WHOA, this is SO good!

HANS

(nodding)

It's good, it's good!

CARLO

(hesitant)

It's pretty heavy, though...

MONKEY

Hehe, digestion's gonna be tough! I've got a steel stomach, never get sick. Hey, I'll take another chicken chika... and some butter sauce—amazing!

CARLO

What? Still hungry? You're not human! In Colombia, we call guys like you *gordos*! Haha!

HANS

In Germany, they call me *der Esser*! Footballer, 80 kg, need protein. But Jim, you're impressive. You're an engineer, right? What's your weight? Want to do yoga?

MONKEY

(with chapatis in mouth)

Hmm? 65-66 kg! Yeah, YOGA! Woo-hoo!

HANS

(laughing)

Oh God, a little French chicken yogi! Haha!

MONKEY

And you, a big German gorilla! You, CARLO, a Colombian drug lord!

CARLO

(pretending to be offended)

Hey, no Pablo Escobar! Especially not the Netflix series! Since I got here, everyone mentions that. Watch *El Patrón del Mal*—a real Colombian plays Pablo, not a Brazilian!

(Laughter.)

MONKEY

When I say I'm from France, it's: "Oh, Eiffel Tower, baguette!" So, I tell French people I'm from Russia!

(Laughter.)

HANS

This is my first trip abroad! I'm heading to Thailand in three weeks, but with the club on break, I came to India.

CARLO

Muy fuerte! India will make a man out of you!

MONKEY

You started strong! Backpackers usually hit Bali or Thailand, but you're in the big leagues: the *Chapati's Championship*! Get ready to be shocked, bro!

HANS

(drinking beer)

Hey, I'm a big German guy! Nothing scares me! AHAHA!

(CUT TO: Dirty street at night. HANS sits on the curb, crying, surrounded by MONKEY and CARLO.)

HANS

(sobbing)

This... can't be real! This chaos doesn't exist in Germany...

MONKEY

(patting his shoulder)

Come on, big guy! Look...

(Camera pans: hundreds of people sleeping or using 4G phones along the sidewalk.)

MONKEY (VOICE OVER)

They don't seem so unhappy! They've even got 4G! Come on, get up—tomorrow we're taking the train to the Taj Mahal, it'll be epic!

(HANS wipes his tears. The trio walks, MONKEY waving like a president, HANS and CARLO joining in. The street comes alive with laughter.)

MONKEY (VOICE OVER)

There's a traveler's proverb: "Arrive in India, you want to flee. Leave India, you want to return." It all started here...

WHITE MIRROR INTRODUCTION

(Loki-style music with layered audio: "The economy and impact of the Dream Truth Community...", "Incredible India!", "It's a revolution", "Billions of users", "Governments losing their minds", "Yoga Fire! (Dhalsim)", "No precedent since 1789...", "The education of tomorrow? Starts with a 4-year-old choosing a career", "Apu from The Simpsons: Thank you, come again!", "All is Purusha", "Inspire (exaggerated Indian accent)", "Expire", "(child) I want to be a pirate!", "What's money? (child)", "What's war? (child)". Images: war, children, nature.)

YODA (VOICE OVER)

Long have I waited for this moment: the D.ream meets the D.Truth.

ON-SCREEN TEXT

"All that is linked draws from D.Truth, all characters are pure... divine... coincidences. These events have not yet occurred. It's up to you to make them real and nurture this peaceful dream."

(White Mirror logo appears.)

QUOTE

"I have no sides, I just want peace. I fight for justice & freedom!" - jtka

SCENE: 200 YEARS AFTER THE ANNOUNCEMENT – EDUCATION FOR CHILDREN

(CUT TO: Highest lake in Nepal. Crowd gathers around 11 children and 11 robots. LÉO, 6, steps forward.)

LÉO

Alright, when it's time, it's time! Kisses, Papa! Kisses, Mama! Kisses, Tania! GO GO GO!

LÉO'S FATHER

(laughing)

You're in a hurry, huh? I was like you for my DreamTruth initiation... Doesn't make me feel young. Have fun, but don't be too reckless!

LÉO'S MOTHER

(joining him)

Anyway, you've got your Bobots. If you act up, Léo, we'll know... and we can be there in an hour to kick your butt!

LÉO

Mom, you're embarrassing me... Yes, I'll be good. Come on, MONKEY, let's go!

(A robot transforms into a holographic MONKEY.)

MONKEY

Yes, kids, it's time. Ladies and gentlemen, see you soon! Let's move!

(Cheers erupt. The group heads into the forest. Drone zooms out: crowd disperses in elegant flying vehicles—lotus for the Indian family, winged horses for Léo's, tree-ships, etc.)

MONKEY (VOICE OVER)

200 years after the Announcement, everything changed. The first revolution of the Dream Truth Community? Education... Because, let's face it, ours was lacking...

(CUT TO: Children reach a clearing, set up a yurt, organize food with BOBOT ROOSTER, light a fire with PHALOUSS, do yoga with MONKEY. Mantra, silent meal.)

(INSIDE THE YURT: 10 children and robots sit in lotus around a fire.)

ANH TU (7 years)

Ahhh, what a long day, I'm exhausted!

HANA (4.5 years)

Me too, I might collapse, but not yet. I want to talk about what's next—it's gonna be awesome!

SUSHAN (4.5 years)

The initiation lasts at least 4 months. We don't know what to do. Let's discuss current events.

DAVID (6 years)

Haha, SUSHAN, the little 4.5-year-old sage! The baby wise one...

(SUSHAN stares at the fire, unfazed.)

HANA

I'm 4.5 too, and I'm a sage, hehe!

DEWA (5 years)

I'm 5! I'll be the greatest explorer-geographer on Earth!

LÉO

I'm 6! I'll be the best yogi-pirate-hacker!

DAVID

I'm 6 too! I'll be the best rabbi-magician-hacker!

LÉO

Copycat!

DAVID

No, you are! Let's settle this with *D. Street Fighter*! Now!

LÉO

(smiling)

Bring it on...

(Children get rowdy. GORILLA appears above the fire.)

GORILLA

Namaskar, children and Bobots! How are you? A little calm, LÉO and DAVID... Do you know why I'm here?

LÉO

(sheepish)

Yes... I spoke sarcastically and aggressively. I forgot the yama of non-violence, Ahimsa. I'm sorry...

GORILLA

Good, LÉO. By calling DAVID a copycat, you implied theft, violating asteya.

DAVID

Yes, Eternal Sadhaka GORILLA. I'm sorry for reacting with anger. Sorry to everyone. I suggest a talking totem for calm discussion...

GORILLA

Good idea, young Sadhaka. I'll leave, unless...

CHILDREN (in unison)

STAY!

(GORILLA smiles slightly.)

GORILLA

Alright. Who wants to speak?

(VLADIMIR raises his hand. A holographic totem appears.)

VLADIMIR

Eternal Sadhaka GORILLA, are you a founder of the Dream Truth Community? What was it like before the Announcement?

GORILLA

A serious question for a 6-year-old, VLADIMIR. I'm a gorilla, not great with stories... But before the Announcement, it was ignorance and obscurantism. An initiation like yours? Unthinkable. The totem goes to... MONKEY.

(MONKEY hologram appears.)

MONKEY

Hi, hiiii! Want to know about before the Announcement? Watch a film from that time: *The Truman Show*! (Massive yes.) OK, let's go... or questions?

(10 hands raise, except SUSHAN meditating.)

MONKEY

OK, questions after the film!

(Fire projects The Truman Show. Clips play, ending at the final scene. MONKEY returns.)

MONKEY

So, what did you think?

LINDA (6 years)

I love Jim Carrey, but I'm ashamed of my American roots. This criticizes the old world where the USA ruled...

DAVID

It's crazy how the media controlled people!

ALYA (5 years)

It touched me, his desire to break free from the system...

HANA

My great-grandma Nanou said it was one of the darkest times. Fame, a poison for the soul...

CISSÉ (5 years)

Almost all white people, that's weird. And that family disconnection... far from our bonds today.

DEWA

Like a caged monkey, so sad...

ANH TU

The coffee in the ads looked gross, and the food too...

LÉO

How could they live in a cold, ugly box? And those identical, impersonal clothes! I prefer the ones made with Mama and the fairies...

ROBERTO (6 years)

Christof is fascinating but creepy. My shaman dad says it was the oversized ego of that time...

VLADIMIR

An unusual American film. Usually, the villains were Russians or Muslim extremists...

(SUSHAN meditates.)

SUSHAN

Hari om tat sat.

(MONKEY smiles. AI records.)

MONKEY

Back in my day, kids didn't talk like this! Sure the oldest is 7? You're wiser than me! It's late—wake-up at 4:30 tomorrow.

LÉO

But we're not tired!

MONKEY

You aren't tired...

(Children beg, except SUSHAN. GORILLA intervenes.)

GORILLA

It's late. Look at HANA...

HANA

This isn't... (she collapses) true...

(Laughter, except VLADIMIR and SUSHAN.)

(KATTY as a cute cat avatar and MUI as BUBU appear.)

MUI

Bedtime! It's not the first day, and you've got a step tomorrow!

KATTY

Yes, a story from me...

(Soft music: "Once upon a time..." Fade to black. Aerial shot of a calm circle in the mountains.)

FAKE AD PAGE: DEWEY EPISODE

(Animated parody montage: DEWEY, 5, a winning machine. He dominates MALCOLM and REESE in Super Smash Bros. with Yoshi, wins Mario Kart, crushes Monopoly with Yoshi as a token. REESE tapes his mouth—DEWEY wins Street Fighter with his feet, smirking. MALCOLM and REESE tie him in the basement facing his Yoshis. HAL beats Tetris. LOIS, busy at work, notices nothing. DEWEY whispers: "Don't worry, friends, we'll show them!" A cosmic "YOSHIII!" echoes.)

DISCOVERY/INTERACTION

(DEWEY talks to his Yoshis as sacred mentors.)

YOSHI GREEN

(calm)

"YOSHIII!"

DEWEY

"You're saving energy to be super strong, right?"

YOSHI RED

(energetic)

"YOSHIII!"

DEWEY

"With that power, we can make a game no one can break!"

YOSHI BLUE

(deep)

"yoshiii..."

DEWEY

"It's a secret to make the world fair."

YOSHI PINK

(joyful)

"YOSHIII!"

DEWEY

(laughing)

"Yeah, let's have fun creating something awesome!"

(Yoshis reveal "YoshiYoshi," an island with "brahmacharya" for mental/physical strength, and "pastèque currency" via a "magic book" blockchain. DEWEY: "It's a game where my Yoshis are always safe!")

FORESHADOWING – YOSHI CIVILIZATION AND THE YOSHI EGG

(Yoshis "tell" via "YOSHIII!": the Yoshi Egg protects the "magic book." DEWEY sketches a White Book: Yoshi drawings, pastèques, the Egg pulsing, notes: "Each pastèque is in the book. Everyone knows. No one steals.")

TRANSFORMATION/RESOLUTION

(DEWEY digitizes his White Book: pirate Yoshis, egg chains, notes: "The magic book tells the truth. Pastèques for all, but protected." "Brahmacharya is our super power!" A squirrel unplugs the PC, steals a drawing. DEWEY laughs, chases it. LOIS bursts in: "DEWEY!" He rants: "The Yoshis taught me a game... and the squirrel was amazing!" The digital White Book is lost, but the notebook remains under toys.)

OPENING

(Shot of the White Book notebook, pages faintly glowing. DEWEY, dragged by LOIS: "YOSHIII! The squirrel beat Reese!" Squirrel outside with Yoshi/pastèque paper, eyes gleaming.)

VOICE OVER

This is an ad for brahmacharya. At DTC, we uphold the Yamas and Niyamas. Consult specialists; these aren't medicines. Beware of meds... DTC... (whispering) connecting people...

SCENE: RETURN TO INDIA – RISHIKESH

(CUT TO: Modest yoga hall in Rishikesh, overlooking the Ganges.)

PRASHAN

...For Ali, I love his joyful monkey energy. Thank you, Ali, for this bright month! As for Jim... he has a superpower: making everyone smile. Thank you, French brother!

JIM

(hugging him)

Thank you, Prashan, that means a lot.

AGRAWA

Prashan, done? (Prashan shakes head.) OK, Jim, your 15-minute oral.

JIM

Whoa! What to say? A month ago, for the 200-hour YTT, I had a boring speech on contentment. Today, I speak from the heart...

(Pause, Akash Mudra.)

JIM

So much to say about these two months that changed my view. I'm French...

(Students mimic his accent, laughter.)

JIM

Proud, but life in France isn't rosy. Double childhood: rich in Paris, then poor in 9-3, struggling for food. Poverty kills fulfillment.

(Flashbacks: hard work, homeless in France.)

JIM

My dad succeeded in business, but the world broke him. His justice quest shattered our family. My brother Bob suicided at Salpêtrière...

(He cries. A tissue is offered.)

JIM

(recovering)

Depression is France's worst disease. This yoga training, 3000 €, was my best choice. It's the healthiest antidepressant. I took nasty meds... (flashback: hospital) never again! I swear to follow yoga's path to save friends from materialism. If France believed in Purusha, it'd be paradise. Thank you. Namasté Bitches!!! Hehe!

(Applause. Night festival, Himalayas in background. Fade to black.)

MONKEY

As I said, it all started in India. I must keep my promise: share yoga to educate. My revolutionary moment! Thank you. Namasté Bitches!!! Hehe. A trailer before I go... Bye!

TRAILER

(Epic music. YODA faces children in a forest.)

YODA

Your initiation has begun, young Padawan Sadhaka Jedi.

CHILDREN (in Jedi robes)

Yes, Master!

(Montage: kids training, lightsaber duel, cooking, boat to Antarctic walls.)

SUSHAN

I don't talk much, but wow...

VLADIMIR (with YODA)

What is the Dark Side?

(Images: war, starving children.)

YODA

Dark Side... suffering...

DAVID

I HATE WAR!

JOURNALISTIC VOICE

The initiation of 11 kids aged 4 to 8 is the DTC's wild project...

FRENCH WOMAN

Amazing, I'm enrolling my kids!

OLD MAN

Leaving kids like that?

JOURNALIST

France condemns the DTC as terrorist conspirators. Contact authorities via QR... Ad now.

MONKEY

It's heating up for me! I'm out, cops!

The initiation, soon on your screens...

(Ends with "We Don't Need Your Education" by Pink Floyd.)
