

"Trônes of Game: Messaging Kingdoms" - Video Script for Telegram Contest

STORYBOARD & SCRIPT (Duration: 180 seconds)

OPENING SEQUENCE (0:00-0:15)

[Epic music reminiscent of Game of Thrones theme, but slightly parodic]

VISUAL: Dark stormy sky over a digital landscape. Two kingdoms appear: a vibrant blue castle (Telegram) and a green fortress (WhatsApp).

NARRATOR (DEEP VOICE): "In the realm of messaging, a battle has raged for years. While one kingdom innovates... the other merely follows."

VISUAL: Camera zooms into a grand council chamber where animal representatives sit around a round table with smartphones instead of swords.

NARRATOR: "Welcome to the DAO Council of 'Trônes of Game' - where the future of messaging is decided."

COUNCIL INTRODUCTION (0:15-0:35)

VISUAL: Each animal councilor is introduced with their title appearing on screen.

MONKEY D. LUFFY (wearing a straw hat): "As your king, I call this council to order! The messaging realms need innovation!"

GORILLA (serious, wearing armor): "Security must be our priority. Our users' secrets must be protected."

WOLF (strategic, checking maps): "Our groups need organization. The pack must communicate efficiently."

TIGER (impatient, pacing): "Speed! We need more speed and power!"

BEAR (conservative, large): "But stability matters most. No crashes, no lost messages."

CAT (stylish, preening): "And aesthetics! It must be beautiful and customizable."

THE PROPHECY BEGINS (0:35-0:55)

VISUAL: The council gathers around a glowing crystal ball showing messaging features.

MONKEY: "I have seen visions of the future! Features that will change messaging forever!"

VISUAL: Crystal ball shows "Secret Chats with Self-Destructing Messages"

GORILLA: "Self-destructing messages that vanish after being read! Ultimate security!"

WOLF: "When will such magic be possible?"

VISUAL: Split screen showing Telegram implementing this in 2013 vs. WhatsApp in 2021

NARRATOR: "Telegram: 8 years ahead."

VISUAL: WhatsApp representative (green knight) arrives late, out of breath.

WHATSAPP KNIGHT: "I bring news of our latest innovation: disappearing messages!"

[Everyone stares silently, then bursts into laughter]

MONKEY: "You know nothing, WhatsApp."

THE GREAT FEATURES (0:55-1:25)

VISUAL: Montage of features with years they were introduced:

1. **WOLF:** "Massive groups with thousands of members!" [Shows Telegram (2013) vs. WhatsApp (2019)] **NARRATOR:** "Telegram: 6 years ahead."
2. **TIGER:** "File sharing without compression, up to 2GB!" [Shows Telegram (2014) vs. WhatsApp (2022, with smaller limit)] **NARRATOR:** "Telegram: 8 years ahead."
3. **BEAR:** "Multi-device support without phone connection!" [Shows Telegram (2019) vs. WhatsApp (2021)] **NARRATOR:** "Telegram: 2 years ahead."
4. **CAT:** "Custom themes and backgrounds for beautiful chats!" [Shows Telegram (2017) vs. WhatsApp (2021)] **NARRATOR:** "Telegram: 4 years ahead."

VISUAL: WhatsApp knight frantically taking notes, looking confused.

THE BOTS REVELATION (1:25-1:45)

VISUAL: Monkey dramatically stands on the table.

MONKEY: "But the greatest innovation of all... BOTS AND MINI APPS!"

[Gasps from council]

VISUAL: Animation showing Telegram bots and mini-apps ecosystem.

GORILLA: "An entire ecosystem within a messenger!"

VISUAL: WhatsApp knight looking completely lost.

WHATSAPP KNIGHT: "What is this... 'bot' you speak of?"

NARRATOR: "Telegram: 7 years ahead. Some innovations WhatsApp still hasn't matched."

THE VOTE (1:45-2:00)

VISUAL: Council voting with "Truth Tokens" on a blockchain interface.

MONKEY: "The council will now vote. Which kingdom leads in the Trônes of Game?"

VISUAL: Votes pour in overwhelmingly for Telegram.

NARRATOR: "In the game of messaging, you innovate or you follow."

VISUAL: WhatsApp knight slumps in defeat.

WHATSAPP KNIGHT (whispers): "Perhaps I should download Telegram..."

CLOSING (2:00-2:15)

VISUAL: The animal council using Telegram on their devices, features highlighted.

MONKEY: "Winter is coming... but Telegram was ready years ago."

NARRATOR: "When you play the Trônes of Game, you win or you WhatsApp."

VISUAL: Final shot of Telegram logo on a throne made of smartphones, with "FIRST BY YEARS" text.

MONKEY: "This is the way."

[Epic music concludes]

TECHNICAL NOTES

- **Format:** Vertical video optimized for TikTok/Reels/Shorts

- **Style:** Animated with Game of Thrones-inspired visuals but comedic tone
- **Text:** All key points appear as on-screen text alongside narration
- **Music:** Parody version of Game of Thrones theme
- **Hashtags:** #TronesOfGame #TelegramWasFirst #YouKnowNothingWhatsApp
